Thanks so much Lauren. I omitted to tell you that I am at the CCPR meeting next week in Chongqing and leave tomorrow morning for China. Not very smart of me. I will call you at a good time for you, which might be the middle of the night for me!!

Have a great weekend,  
Amelia

Dear Lauren,

I met Jason Dietz at a recent public meeting on the modernization of the coordinated framework and he gave me your name the contact for residue testing in the FDA. I have a question about enforcement of residue levels in the USA, particularly glyphosate.

Would it be possible to have a five minute call please?

Many thanks, best wishes,

Amelia
